## City of Bangalore Improvement (Amendment) Bill, 1969

*Introduction*

Sri B. M. PATIL.—Sir, I beg to introduce the City of Bangalore Improvement (Amendment) Bill, 1969.

Sri M. NAGAPPA.—Sir, I rise to a point of order. Sir, the recommendation of His Excellency the Governor is not there for the introduction of this Bill. So, I take objection to its introduction under Rule 67 read with articles 199 and 207(1) of the Constitution. I invite the attention of the Government to the proposed new section 29 A (5) which says :

> "Loans borrowed and debentures issued under this section may be guaranteed by the Government as to the repayment of principal and payment of interest at such rate as may be fixed by the Government."

Therefore Government has given guarantee for the loans that are being borrowed by the City of Bangalore Improvement Board. Article 199 (b) says :

> " For the purposes of this Chapter, a Bill shall be deemed to be a Money Bill if it contains only provisions dealing with all or any of the following matters, namely : —
>
> (b) the regulation of the borrowing of money or the giving of any guarantee by the State, or the amendment of the law with respect to any financial obligations undertaken or to be undertaken by the State."

Therefore, this is definitely a Money Bill under article 199(1) (b) of the Constitution. Therefore, the recommendation of the Governor is essential as per article 207 (1) of the Constitution. So, I take objection to the introduction of this Bill and request the Chair to uphold the point of order.

Sri K. PUTTASWAMY (Minister for Law, Labour and Parliamentary Affairs).—I would like to make my submssion some time later.

Mr. SPEAKER.—All-right. The introduction of the Bill may be deferred in that case.
